House of Representatives

Dear ~~Tom~~ *Tom*:

After a short experience with what I've inherited, I pulled the enclosed statement together in an effort to articulate the two-way nature of the oversight process.

I'd like to have it (or something like it) distributed in-house here to educate, inform, guide and influence Agency troops. I would also hope that it might present a positive tone for our joint efforts at improved professional relations.

I welcome your comments.

Sincerely,

A rectangular box containing a handwritten signature, likely of Charles A. Briggs.
